Lyrics

[verse 1]

I must have fallen into a dream
Everything was so unreal
When I looked into your eyes
I saw an angel in disguise

[chorus]

Think I've been in heaven for a while
Guess that I was sent there
when I looked into your eyes

Think I've been in heaven all this time
Must have kissed an angel
and I didn't realize

[verse 2]

I remember all those times
when I was crying on my pillow
laying awake all night
Praying for someone to come
to ease the pain,
to hold me tight
That belongs to yesterday
You came down to show the way

[chorus]

Think I've been in heaven for a while
Guess that I was sent there
when I looked into your eyes

Think I've been in heaven all this time
Must have kissed an angel
and I didn't realize

[bridge]

I saw the light
when you carried me away
You turned my world around
and stopped the falling rain

[chorus]

Think I've been in heaven for a while
Guess that I was sent there
when I looked into your eyes

Think I've been in heaven all this time
Must have kissed an angel
and I didn't realize

I must have fallen into a dream

Heaven

Everything seems so unreal
I must have fallen into a dream
Everything seems so unreal
