## Lyrics

she's only a child a running, naked child so vulnerable she's only 'bout nine thin and so fine so destructable she runs scarified her arms swung out wide to relieve the pain

she lives in Trang Bang where fire falls from the skies down Highway One there's a girl that screams and cries

and she's running always running they call her the Napalm Girl but she never gives in trying to get some peace in this world saved by the click of a camera she is the girl in the picture

there's fire all around her and fire inside 'it's too hot, too hot' she rips off her clothes but the heat only grows it's living under her skin she's frozen in time 'cause she still burns your mind when you look at her

she lives in Trang Bang where fire grows on the trees down Highway One there's a little girl pleading for peace

and she's running always running this little napalm girl but she never gives in trying to get some peace in this world she's so strong she can burn your mind she is the girl in the picture

she lives in Trang Bang where fire rains from the sky but she never gives in trying to get some peace in this world

and she's running
always running
they call her the Napalm Girl
but she never gives in
trying to get some peace in this world
always understanding
this little child of war
she is the girl in the picture
