Description:	Thanks to the injection of a swinging guitar line and a catchy sing-along chorus, "I'm Not Afraid of the Dark" is nothing less than an unpretentious pop tune. A song with a spiritual lyric that glistens like a glowing ray of light in these dark Corona times. With a tune like this in your headphones, you no longer have to be afraid of the dark. Just join in the roar! There is hope in uncertain times.

Lyrics

[verse 1]

It doesn't matter where I go
where I was a while ago
You are always by my side

[verse 2]

All I know is that Your word is true
when I'm afraid I put my trust in You
You are my God, you are my Guide
(so) I won't be terrified

[prechorus]

If I walk through the vale
of the shadow of the night
Your compassions never fail
You always shed your light

[chorus]

No fear 'cause You're always with me
I'm not afraid of the dark
Your staff protects and comforts me
(I'm not afraid of the dark)

[verse 3]

It doesn't matter what I did
'cause You raised up from the dead
You washed my sins now I'm white as snow

[verse 4]

All I know is that when I'm in tears
You will answer and free me from my fears
and Your love will overflow
'cause this is what I know

[prechorus]

If I walk through the vale...

[chorus]

No fear 'cause You're always with me
