Description	<p>The new Eric Geurts single, 'Love to Love', will be released on 8 December 2020. Fittingly also on this day we commemorate the sad and untimely death, 40 years ago, of John Lennon.</p> <p>'Love to Love', written by Eric Geurts, is a musical tribute to the dreamer John Lennon, written in a style reminiscent of Lennon's own distinctive Beatles style.</p> <p>With a release date just before Christmas, 'Love to Love' is above all an idealistic plea for more love and peace in these challenging times. Staying with the theme of John Lennon's music, the B-side is a cover of Lennon's song 'Love'.</p>

Lyrics

[verse 1]

It's not easy after all we've been through
We all have our inner struggles too
There's good and bad in everyone,
in you and me

[verse 2]

Love is patient, love is kind
It's time to leave our pains and sorrows behind
If we'd behave just half as nice
this place could be a paradise

[prechorus 1]

If we stopped being so blind
everything would be fine

[Chorus]

Why don't we love to love love
Love to love Love
Let's show the love that we all dream of
Why don't we love to love?

[verse 3]

There's food for all if we only learn to share
'cause rich and poor, we all breathe the same air
Some are lucky to be born
on the right side of the world

[prechorus 2]

If we just opened our minds
everything would be fine

[Chorus]

Why don't we love to love love
Love to love Love
Let's show the love that we all dream of
Why don't we love to love?

[Bridge]

We already have so much
We still can't seem to get enough
but in the end, will we be satisfied?
Let's stop the taking,
start the giving
It's time to turn the tide

[Chorus]

Why don't we love to love love
Love to love Love

Love to Love

Let's show the love that we all dream of

Love to love Love

Love, love, love, love

...
